Dear GLC-AAAE Member,

The Columbus Regional Airport Authority invites you to make plans now to attend the Great Lakes Chapter-AAAE Annual Conference scheduled for August 6 - 9 in Columbus, Ohio.

This annual conference always attracts airport and aviation professionals as well as aviation suppliers and vendors. The hallmark of this conference is the inclusion of family members, and 2009 will continue this honored tradition with exciting events for spouses, companions and children of all ages. Besides the family-fun aspect, delegates will find this year's conference sessions to be outstanding. See the enclosed agenda of the professional sessions which include presentations from airlines, airport and FAA professionals, among many others. In addition to the conference the GLC is offering a pre-conference workshop – Improving Leadership Effectiveness at your Airport. Attendance at this session will be an added \$100 per participant. Check out the enclosed agenda – the information will be well worth the investment in today's aviation leaders.

The conference will be held at Cherry Valley Lodge, which is now accepting reservations at 1-800-788-8008 or cherryvalleylodge.com. Room reservations include four weekend passes to CoCo Key, an impressive indoor waterpark that offers thousands of gallons of fun right at the hotel.

I encourage you to take advantage of special pricing for early-bird registration by completing the enclosed conference registration forms including an indication if you intend to attend the pre-conference workshop. Don't forget to also fill out your registration form for the annual golf tournament to be held at the nearby Granville Golf Course, named One of the Best Places to Play by Golf Digest.

I look forward to seeing you in August!

Sincerely,

Elaine Roberts, A.A.E.
President & CEO
